ur church exists because we believe we're stewards of the greatest news the world has ever received: that God has created us on purpose for a purpose, that He is calling us into relationship with Him, and that He wants to use us to heal and restore and make things new. We exist because we must keep telling this story. Because we believe lives are changed when this message is lived out. Because we have seen the world change when this Gospel is breathed and spoken afresh and put into practice.

We exist to help people find life by following Jesus.

What you hold in your hands is data: numbers, statistics, a snapshot of a single year in the life of a church community that has existed for over one hundred. But it is also a narrative, a way of looking at the ways this Gospel story has changed lives, transformed families, and sparked community engagement.

With all of the work The Meeting House has done over the years, we continue to be surrounded by tens of thousands of people in our communities who still haven't heard the story. Following the lead of God and the command of Christ, we believe it is imperative we work to change that. That we would become a church unchurched people love to attend. That we commit to helping outsiders become insiders and insiders become disciples. That we never stop urging everyone at all times to spend time with Jesus, learning from Jesus, how to be more like Jesus.

We only do this together, and it is one of our greatest joys to serve alongside you as your pastors. We can't wait to see how God uses you in 2018.

raised
to life

In 2017, we began a new ministry focus with the goal of performing more baptisms, for more people, more often. We're calling this initiative "Raised to Life." Between 2016 and 2017, our church saw more people baptized than in any other two-year-stretch in our church's 100-year history. *And we're on track to surpass this again in 2018.*

DILLSBURG: **85** KIDS & **18** REGULAR VOLUNTEERS

CARLISLE: **161** KIDS & **105** REGULAR VOLUNTEERS

TMH believes Circles are where true life happens. Circle groups help a large church feel small, and in 2017 we saw **480 people** participate in **41 Circle groups**.

In July, Circle groups participated in the first annual TMH Serves, a day-long event where more than **300 people** from across both campuses spread out across our communities to bless others.

From delivering cookies to hospital workers to laying mulch at local schools, TMH Serves became a tangible way we as a church could share God's love with those outside our walls.

CARING MINISTRIES

Caring Ministries exists to provide for community needs — from physical needs like clothing and food, to hospital visitations, to emotional and spiritual support through services like GriefShare and counseling.

2017 marked the first time TMH became a host site for The Global Leadership Summit, a two-day leadership intensive out of Willow Creek Community Church in Chicago, Illinois. 110 local leaders from many different professions came out to learn from some of the world's most gifted leaders, thinkers, and activists.

A person is captured mid-dive, falling into a body of water. The scene is set against a bright sunset, with golden light rays filtering through the air and reflecting on the water's surface. The overall mood is serene and hopeful.

All IN

for our kids | our neighbors | our world

\$7,057,149

In 2017, we launched our most ambitious campaign to date: **All In.** As a church, we pledged our commitment to going all in for our kids, our neighbors, and our world. We believe we're a church uniquely called and gifted to bless people through these three realms. And as a church, our generosity shined through. On the first day of this campaign, our Big Give Sunday, we raised over \$300,000!

Over the next two years, money raised in and for this campaign will go toward a completely renovated youth wing at our Carlisle campus, all new foreign missions initiatives, generous community outreach, and much needed updates at our Dillsburg campus.
