

Job Title:

Worship Director, Sanctuary Venue

Purpose Statement:

To lead worship ministry staff and volunteers to produce engaging, high-quality worship experiences for the sanctuary venue at The Meeting House.

Key Responsibilities:

- **Lead.** Recruit, train, mentor and develop staff and congregants serving in worship arts ministries. Ensure that team members are equipped for their roles, immersed in TMH culture, and spiritually growing in their relationship with Jesus. Plan weekly orders of service and play a regular role in leading weekend worship experiences as the choir/orchestra director and as a featured vocalist/instrumentalist.
- **Develop and disciple.** Create pathways for development of high-capacity volunteer leaders whose gifting aligns with the needs and priorities of TMH. Move team members to take their next step in knowing God, finding freedom, discovering their purpose, and making a difference in the world.
- **Collaborate.** Model the importance of cross-departmental collaboration with other TMH ministries. Work closely with the Creative Arts Pastor, Campus Pastor, and Sanctuary Technical Director/ volunteers to demonstrate pro-active thinking, teamwork, and logical problem-solving.
- **Protect culture.** Keep Jesus unapologetically at the center of everything we do. Show a desire to grow, develop, and mature, both spiritually and professionally. Display a spirit of cooperation and willingness to serve on a team. Embrace and live out our staff core values: make it better, work collaboratively, develop others, be radically candid, and choose joy.
- **Be the example.** Live a life of spiritual development characterized by prayer, Bible study, stewardship, and engagement at The Meeting House. Support and contribute to TMH's mission, vision, strategy, doctrine, philosophy of ministry, and styles of worship. Lead with humility, courage, humor, and positivity.

Technical requirements:

- Bachelor's degree from an accredited college or seminary preferred
- Experience with orchestral instruments and instrumentation
- Ability to lead worship as a vocalist and/or from piano
- Ability to select and teach repertoire for weekly choir rehearsal and inclusion in Sunday worship
- Experience working with musical notation and worship planning software(s) preferred
